Procedure for Application of Tax Relief to Prevent Double Taxation and Tax Evasion

Certificate of Residence

2020

Introduction

If income gained from abroad by a resident of Latvia is not taxable in the other corresponding state or is taxable at a reduced rate in accordance with the [tax convention](#)¹, then the resident of Latvia must prove residence when applying for tax exemption or tax relief in the other state. A Certificate of Residence can be prepared in the State Revenue Service Electronic Declaration System, which proves residency in Latvia when applying for tax relief as specified in the relevant tax agreement.

The procedures laid down in Cabinet Regulation No. 178 of 30 April 2001 “Procedures for Application of Tax Relief Determined in International Agreements for Prevention of Double Taxation and Tax Evasion” are observed.
