Process description

Service requests

Maintenance services must submit information that specifies the type and number of seals necessary to ensure operations at any SRS client centre, electronically, or by post.

New seals will not be issued if reports for the previous quarter have not been submitted.

Submit statements on the use of non-tamperable seals by the twenty-fifth date of the month following the quarter.

Payment for service

Payment must be made not later than within 15 working days after submission of the application.
