Notification form regarding the determination of income from economic activity without registration as a performer of economic activity.

[Process description](#) [Related documents](#)

Process description

Service requests

A private individual who earns income from property (leasing, rentals, etc.) must declare this as unregistered business activity to the State Revenue Service (hereinafter - SRS) within five (5) days of signing the lease.

A private individual who earns income from unregistered business activity must fill in a statement ((MK not. 537 Annex 7) indicating that they wish to declare this income and add it to each rental/lease agreement.

Unregistered business activity can be registered through SRS EDS or submitted at any customer service centre (with appropriate ID).

Receipt of services

After receipt of the documents, the SRS will be entered in the taxpayer register.
