

Drivers, the United Kingdom left the European Union on February, 1st, 2020. Until December, 31st, 2020, nothing changes for you. From January, 1st, 2021, you will have to cross a border and to produce valid customs formalities.

Prepare for this change. Anticipate your future customs formalities in order to avoid any blockage and streamline your border crossing.

Here is a presentation of the different border crossing situations between France and the UK from January, 1st, 2021.
